

LUKE MILLIGAN

AI CREATIVE TECHNOLOGIST / AI INSTRUCTOR

Frome, Somerset • lukeamilligan@gmail.com

PROFILE

Multi-activity instructor with more than 20 years of experience teaching and engaging children and young people, combined with hands-on experimentation in generative AI, video, storytelling and open-source creative technology. Experienced in adapting explanations and activities to different people, solving problems in real time, training staff, creating video and producing audiobooks. Now developing that teaching and creative background into AI-focused work.

AI / CREATIVE HIGHLIGHTS

GLASS EDEN	First AI production released to YouTube; cinematic science-fiction worldbuilding.
WHEN & WHERE	AI-generated British sci-fi comedy series; recurring characters, worlds and continuity.
DREAMNET 2.0	Unreleased AI entertainment concept exploring generated worlds and experiences.
THE MENDIP DEAD	Unreleased British zombie-comedy project used to push cinematic AI workflows.
OPEN-SOURCE AI	Experimenting with ComfyUI, LTX and local/open video generation; testing practical hardware limits.
MEDIA	Frome Town FC video creator since 2021; audiobook production since 2020, including character recording and editing.

CURRENT AI DIRECTION

Teaching: exploring AI instructor / AI enablement roles where a long practical teaching background is an advantage.

Creative technology: building films, series, characters and worlds with generative tools.

Technical experimentation: pushing open-source video generation, ComfyUI, LTX and available hardware.

Next: developing characters that do more than remain visually consistent — they change and develop as stories progress. Also building deeper DaVinci Resolve skills.

04/2025 – Present | Braeside Education Centre — Multi-Activity Instructor

04/2025 – 11/2025 | Braeside Education Centre — Multi-Activity Instructor

Teaching problem solving, archery, climbing and other land-based activities; maintaining the health and safety of young people.

11/2024 – 04/2025 | Royal Mail — Van Driver

Delivering around 100 parcels most days, supporting mail/collections and other duties.

08/2023 – 10/2024 | Carlingford Adventure Centre — Lead Instructor

Training staff in archery, axe throwing and archery combat; teaching ropes, target, land and water-based activities; maintaining health and safety.
